

Great Oaks Foundation Student Scholarship Application

The Great Oaks Education Foundation is committed to giving all students the opportunity to build successful careers. The Foundation helps students, while in school, overcome obstacles that get in the way of learning. This year the Foundation fed families, bought clothes, paid for medical bills and helped with other emergencies. The Foundation understands the challenges of adult students as they try to balance work, family and continuing their education. This scholarship is intended to assist in meeting those challenges.
